

# Priority Care 365 (PC 365)

**Employee:** If a work related injury happens that is NOT life, limb or eyesight threatening:

1. Notify the ATC manager immediately, at the point of injury.
2. Call the triage nurse at **1-855-310-6628**
  - » The triage nurses are available 24/7, including weekends and holidays.
  - » The nurse will make a recommendation for self care or medical treatment.

***For emergencies call 911 or immediately seek medical attention.***

**Give the nurse the agency name and location code:**

**ATC Healthcare Services | Location: 1900-63**
