

If you are currently enrolled in the Nationwide plan, that coverage is ending on 12/31/18. We are offering a comparable VIP plus and VIP Prime medical indemnity plan, as well as several standalone options (dental, vision, life insurance, disability, accident protection) and an MEC which covers preventative services at \$0 copay. For those who have worked one year and 30 hours per week, you can also enroll in the MVP by calling 1-800-497-4856.

We are really thrilled to partner with Benefits in a Card to offer you our valuable HCA's lots of different choices to fit your individual and family benefits needs. There is a MEC plan that can be partnered with two levels of indemnity plans for full ACA coverage, an MVP, and several other benefits like dental, vision, disability, life insurance that you can enroll in now.

If you are a new employee you can enroll as soon as you accept your first assignment, as enrollment is within the first 30 days of employment. If you do not work for up to four weeks, you can continue paying on your own and then resume your payroll contributions when you return to work.

Attached please find the Benefits Guide and enrollment form. You can enroll through the 800# or [www.mybiac.com\ATC](http://www.mybiac.com\ATC)

Please feel free to contact me if you have any questions. However, Benefits in a Card has a call-in center and an employee portal that you can contact to have all your questions answered.

Regards,

**Helaine Fox, MSILR**
